

Lull Telehandler Parts

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement accuracy since the year 1959. The Lull telehandler can help make the task faster and easier, whether the work entails landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are complete together with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system provides 80 inches of boom travel for precision placement capabilities. Various optional accessories is accessible for Lull telehandlers to be able to help do whichever job.
