

Trek Part

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have more than 60 years combined experience with successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are dedicated to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy providing products which energize both their partners and their dealers and offer production gains to their clients.

The team at TREK enjoys dealing with new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' skills and requirements together with their knowledge of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

The staffs at TREK and their dealer-partners are really dedicated to having both technical support and parts available when it is needed. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning machines ready and working day by day is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cost of cleaning. The price, the service and the product all work as one so as to make them the leader in the industry.
